### School Description and Mission Statement (School Year 2007-08)

This section provides information about the school, its programs and its goals.

#### **School Description:**

Welcome to Hornbrook Elementary School. Hornbrook Elementary is a K-8 school that serves approximately 40 students. 91.4% of the population is considered low socioeconomic status. Most of the students are Caucasian with a few Hispanic and American Indian students. The teaching staff is comprised of three full-time teachers, three part-time paraprofessionals, an administrative assistant, a cook/cafeteria manager, bus driver/maintenance person and a part-time administrator. The community is small, located in rural Northern California just below the Oregon border and 15 miles north of Yreka. The community is supported with several resorts and retirement centers adjacent to the Klamath River. Most families must commute to employment outside of Hornbrook. Hornbrook Elementary is a basic aid district, drawing its revenue from the tax base of the Irongate/Copco Dam area.

#### **Mission/Vision Statement:**

Our goal is to equip students with the necessary skills to prepare them for the rigors of high school, pass the California High School Exit exam, acquire meaningful employment and obtain additional education in pursuit of a career. Our motto is "Working Together, To Build Student Success, In A Caring Place."

Hornbrook Elementary School's vision is to ensure that a partnership is developed between students, parents, staff and community so:

- Students and staff are equipped with the necessary skills to access, process and apply information to problems and decisions.
- Students are taught to be responsible and safe in a nurturing learning environment.
- Students experience success in a world where learning never ends.

Currently we are in the process of implementing a standards based educational system as evidenced by:

- Standards-based instructional materials have been purchased and implemented
- Training in the teaching of these materials is underway
- Staff meetings focus on best research practices

This section provides information about the school's comprehensive safety plan.

---

The School Safety Plan was reviewed on 01/13/09.

The School Safety Plan was discussed with the school faculty on 01/16/09.

It is of supreme importance to Hornbrook Elementary School to provide a safe, secure & harmonious environment for all who attend or visit our facilities. Annually, the Hornbrook Elementary School staff is inserviced on the components of the School Safety Plan; namely, emergency response map, emergency drills, universal health precautions, analysis of student discipline data and discipline procedures. Certificated staff is trained in CPR and First Aid. Quarterly Safety meetings are held to evaluate current conditions and address safety needs. Hornbrook Elementary is very conscientious in promoting a safe school.

### IV. School Facilities

#### School Facility Conditions and Planned Improvement (School Year 2008-09)

This section provides information about the condition of the school's grounds, buildings, and restrooms based on the most recent data available, and a description of any planned or recently completed facility improvements.

---

Our School Facility was inspected on 04/24/08 by NCSIG and upgrades/repairs are schedules to be completed by 08/30/08.

These findings were discussed with the faculty on 05/2008.

Hornbrook Elementary provides a well-maintained and safe school facility. The maintenance staff conducts daily and monthly inspections of the school facilities to correct items that do not meet standards. The maintenance staff (of one) routinely cleans and services each classroom and all adjacent offices and buildings on a daily basis. The school grounds, classrooms and restrooms are exceptionally clean with all items in good working order including 100% of all toilets.

Annually, the Board updates the district's five-year deferred maintenance plan to address short and long-term maintenance needs of the school. The district employs a part-time bus driver/maintenance person (.90 FTE) who works during the school day. The position is approximately six hours maintenance and one hour, 20 minutes transportation. The school is approximately 70 years old. A gymnasium was added 33 years ago as well as two additional classrooms. There are six regular classrooms, a library, gymnasium, cafeteria and an office. There are two athletic fields and a well equipped playground that meets safety standards. The library is stocked with books on loan from the County Office of Education's Library and two computers. Three of three regular classrooms have computers with internet access. The office also has two computers; one for the administrative secretary and one for the Superintendent/Principal. The District is currently reassessing its technology needs, including modernization of the telephone system and perhaps exploring the cost of modernization of the school facilities.

**IX. Student Performance**

**California Standards Tests**

The California Standards Tests (CSTs) show how well students are doing in relation to the state content standards. The CSTs include English-language arts (ELA) and mathematics in grades 2 through 11; science in grades 5, 8, and 9 through 11; and history-social science in grades 8, and 10 through 11. Student scores are reported as performance levels. Detailed information regarding CST results for each grade and performance level, including the percent of students not tested, can be found on the Standardized Testing and Reporting (STAR) Results Web page at <http://star.cde.ca.gov>. *Note: Scores are not shown when the number of students tested is 10 or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy. In no case shall any group score be reported that would deliberately or inadvertently make public the score or performance of any individual student.*

## X. Accountability

### Academic Performance Index

The Academic Performance Index (API) is an annual measure of the academic performance and progress of schools in California. API scores range from 200 to 1,000, with a statewide target of 800. Detailed information about the API can be found at the API Web page at <http://www.cde.ca.gov/ta/ac/ap/>.

### API Ranks – Three-Year Comparison

This table displays the school's statewide and similar schools API ranks. The statewide API rank ranges from 1 to 10. A statewide rank of 1 means that the school has an API score in the lowest 10 percent of all schools in the state, while a statewide rank of 10 means that the school has an API score in the highest 10 percent of all schools in the state. The similar schools API rank reflects how a school compares to 100 statistically matched "similar schools." A similar schools rank of 1 means that the school's academic performance is comparable to the lowest performing 10 schools of the 100 similar schools, while a similar schools rank of 10 means that the school's academic performance is better than at least 90 of the 100 similar schools.

Statewide	1	1	1
Similar Schools	N/A	N/A	N/A

### API Changes by Student Group – Three-Year Comparison

This table displays, by student group, the actual API changes in points added or lost for the past three years, and the most recent API score. *Note: "N/A" means that the student group is not numerically significant.*

### **Adequate Yearly Progress**

The federal NCLB Act requires that all schools and districts meet the following Adequate Yearly Progress (AYP) criteria:

- Participation rate on the state's standards-based assessments in English-language arts (ELA) and mathematics
- Percent proficient on the state's standards-based assessments in ELA and mathematics
- API as an additional indicator
- Graduation rate (for secondary schools)

Detailed information about AYP, including participation rates and percent proficient results by student group, can be found at the AYP Web page <http://www.cde.ca.gov/ta/ac/ay/>.

### AYP Overall and by Criteria (School Year 2007-08)

This table displays an indication of whether the school and the district made AYP overall and whether the school and the district met each of the AYP criteria.

AYP Criteria	School	District
Overall	Yes	Yes

Participation Rate - Mathematics	Yes	Yes
Percent Proficient - English-Language Arts	Yes	Yes
Percent Proficient - Mathematics	Yes	Yes
API	Yes	Yes
Graduation Rate	N/A	N/A

### Federal Intervention Program (School Year 2008-09)

Schools and districts receiving federal Title I funding enter Program Improvement (PI) if they do not make AYP for two consecutive years in the same content area (English-language arts or mathematics) or on the same indicator (API or graduation rate). After entering PI, schools and districts advance to the next level of intervention with each additional year that they do not make AYP. Detailed information about PI identification can be found at the AYP Web page at <http://www.cde.ca.gov/ta/ac/ay/>.
